ONE CO • BOUNCE HOUSE & PARTY RENTALS

POWER REQUIREMENTS

Before your delivery

Have a suitable electrical outlet available near the setup area.

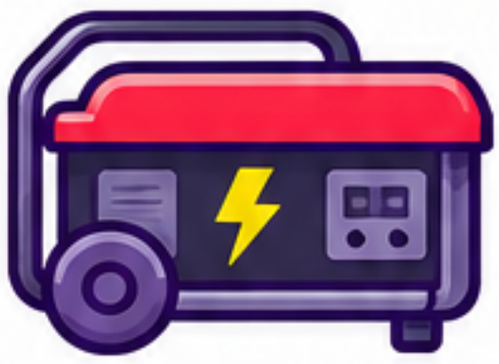

Dedicated power

Blowers need continuous power during use. Avoid sharing the circuit with other high-power equipment.

Outlet distance

Tell us how far the outlet is from your setup location so we can confirm the power arrangement.

Generator options

No nearby power? Ask about generator availability before booking.

Confirm before your event

Power requirements vary by inflatable. Contact us to confirm the requirements for your rental.
